

Welcome to the Moose Festival

Come... celebrate with us... the 20th year of the North Country Moose Festival!

For 20 years we have coordinated this event to honor the largest of North Country animals. The abundance and majesty of the local moose population, coupled with the tapestry of mountains, lakes and streams places this Festival in the heart of a most desirable, peaceful vacation destination.

The Town of Colebrook hosts the Friday Street Fair where we enjoy vendor foods, crafter specialties, and dancing in the street to bands that include The Parker Hill Road Band and 'Rock On' with Jules Rancourt and Company. Try your hand at square dancing with the Moose Alley Squares.

Many different organizations throw open their doors so that you can visit a museum, stroll around a quilt exhibition, encounter wildlife, or go on a search for moose. You might even hitch a ride on a train.

Beth Probasco photo

The Country Fair in Canaan, Vt. includes more than 70 crafters and vendors. The 17-piece Berlin Jazz Band provides background music for the event that includes horse and wagon tours, a photo contest, the maple syrup tasting and competition, our moose festival cookoff, a Moose Calling Contest for the whole family, and a classic car show that generally hosts 100 to 150 car enthusiasts.

FIND US by traveling north on Route 3 about 3 hours north of Concord, NH. The area has ample lodging and dining in a beautiful location.
